

**PARENT VISITATIONS FOR RECITAL COSTUMES**  
**PICK UP MERCHANDISE - WILL BE ON THE DAY YOU ATTEND**  
**The studio is closed for COSTUME INVENTORY & PARENT VISITATIONS**  
**April 2-8 (no classes)**

**DAY AND TIME:**

- We will be holding in person parent visitations with Miss MaryJo on the dates listed on your confirmation sheets.
- The CONFIRMATION PAGE is the top page of the packet that will show your exact date and time for each class, it will say **REQUIREMENTS:** and then list the day and time for the meeting.
- We ask that each student have a parent present (or another adult) to attend the meeting for important information.
- Costumes will be done in a timely fashion, almost back to back.
- A follow along schedule is included with this letter.
- To help things run smoothly, please be on time for all meetings.

**TAKING COSTUMES HOME & PICTURES**

- Once ALL your costumes are reviewed, parents can see Miss Donna to receive your items to take home.
- All tuition must be at a ZERO balance including April 1 autopay, in order to take costumes home.
- Picture appointments can be made at the desk before leaving the studio.

**IT IS IMPORTANT TO ATTEND:**

- It is very important to attend your meeting and take notes about the costume, hair and stage make-up for each class.
- Think of this time as your best and only opportunity to get the correct information needed for the dress rehearsal and performance on stage in May.
- This is also a good Q & A for our dance moms with questions.

**TIGHTS:**

- Please make sure to look in your parent portal to review tights and shoes requirements.
- All tights needed are included inside your costume bags.
- Camisoles can be purchased separately if needed by the office.
- Recital T-Shirts are also in the bag with your costumes.

**DANCEBUG - PICTURES & VIDEOS**

- Remember your Recital Fees will include tickets to the show, mother pass to auditorium and all your photos and videos.
- We want our parents to take advantage of this easy online access.
- Our main office will be happy to assist you on how to access and receive your recital videos and pictures from DanceBug.
