HERE'S HOW IT WORKS

- There is a NARDI SITTING FEE of \$10 per costume.
- This fee is to cover studio costs and expenses for office staff and teachers to pose our dancers.
- Once you make an appointment, those fees will be charged to your dance account and are **NON-REFUNDABLE.**
- Since we are taking multiple poses per costume our schedule will be extremely busy and we want to avoid last minute changes, add-ons or cancellations.

HERE'S WHAT TO EXPECT FROM TIM MILLER

- You do not pay for any photos until you see them.
- Our photographer will take 2-3 poses of each costume you want photographed.
- This will give you more photo choices to choose from and allow you to order exactly what you want.
- The photos are then posted online to view and purchase.
- There will be many selling options that include paper prints, wall art, keepsakes and digital files that are extremely popular.
- Photos will stay posted online until September 30, 2026.
- Please do not forget to order enough photos, including holiday gifts.
- Photos are **NOT** available after September 30, 2026.

HERE'S WHAT YOU NEED TO DO

- Please be CAMERA READY, and on time, with light make-up (not as dark as stage).
- Do Not wear underwear under costumes.
- Remove all tags from your costumes.
- Make sure your dance shoes are clean, and do not wear them in the street.
- Call the studio if you have an emergency the day of your sitting.
